**Report on Accountability**

Thank you for the opportunity to work with you to promote accountability, integrity and openness in government. The Office of the Washington State Auditor takes seriously our role of providing state and local governments with assurance and accountability as the independent auditor of public accounts. In this way, we strive to help government work better, cost less, deliver higher value and earn greater public trust.

Independent audits provide essential accountability and transparency for Commission operations. This information is valuable to management, the governing body and public stakeholders when assessing the government's stewardship of public resources.

Attached is our independent audit report on the Commission's compliance with applicable requirements and safeguarding of public resources for the areas we examined. We appreciate the opportunity to work with your staff, and we value your cooperation during the audit.

Sincerely,

Pat McCarthy

## AUDIT RESULTS

### Results in brief

This report describes the overall results and conclusions for the areas we examined. In those selected areas, Commission operations complied, in all material respects, with applicable state laws, regulations, and its own policies, and provided adequate controls over the safeguarding of public resources.

In keeping with general auditing practices, we do not examine every transaction, activity, policy, internal control, or area. As a result, no information is provided on the areas that were not examined.

### About the audit

This report contains the results of our independent accountability audit of the Washington State Commission on Hispanic Affairs from July 1, 2016 through June 30, 2020.

Management is responsible for ensuring compliance and adequate safeguarding of public resources from fraud, loss or abuse. This includes the design, implementation and maintenance of internal controls relevant to these objectives.

This audit was conducted under the authority of RCW 43.09.310, which requires the Office of the State Auditor to examine the financial affairs of all state agencies. Our audit involved obtaining evidence about the Commission's use of public resources, compliance with state laws and regulations and its own policies and procedures, and internal controls over such matters. The procedures performed were based on our assessment of risks in the areas we examined.

Based on our risk assessment for the years ended June 30, 2020, 2019, 2018 and 2017, the areas examined were those representing the highest risk of fraud, loss, abuse, or noncompliance. We examined the following areas during this audit period:

- Payroll – gross wages
- Accounts payable – general disbursements and travel expenditures
- Open Public Meetings Act (OPMA) – documentation of minutes, executive sessions, and special meetings

## RELATED REPORTS

### **Financial**

We perform an annual audit of the statewide basic financial statements, as required by state law (RCW 43.09.310). Our opinion on these financial statements is included in the Comprehensive Annual Financial Report (CAFR) prepared by and available from the Office of Financial Management.

The CAFR reflects the financial activities of all funds, organizations, institutions, agencies, departments and offices that are part of the state's reporting entity. That report is issued by the Office of Financial Management in December of each year and can be found at [www.ofm.wa.gov](http://www.ofm.wa.gov).

A summary of the audit for the period ending June 30, 2020, can be found at <https://www.sao.wa.gov/about-audits/about-state-government-audits/>.

### **Federal programs**

In accordance with the Single Audit Act, we annually audit major federal programs administered by the state of Washington. Rather than perform a single audit of each agency, we audit the state as a whole. The results of that audit are published in a report issued by the Office of Financial Management in March of each year.
